

MINI DERBY RULES

- 1.) Drivers will wear a helmet during all heats they are competing in.
- 2.) Power-Wheels can not be modified in any way, shape or form. Must be as it was purchased from a store.
- 3.) Only one parent allowed in the arena during each heat to provide safety and guidance to the driver in the instance they drive off the course or could become a danger to themselves or others.
- 4.) Under NO circumstances will there be a passenger allowed in the vehicle during any heat.
- 5.) Under NO circumstances are the divers allowed to drive around other than to prepare for the heat, during the heat or to move the vehicle for the safety of the audience or staff outside of the heat times.
- 6.) Once all balloons are popped on the driver's vehicle they are to stay in their vehicle and drive no further meaning completely stop or a parent may retrieve them right away and may finish watching the rest of the heat.
- 7.) Drivers are to do their best to only hit the cars where balloons are present. **NO BUMPER CAR BEHAVIOR!** If the driver continues to do this they will be disqualified.
- 8.) Breaking any of these rules will result in a warning. Continuing to break any of the above rules will mean immediate disqualification.
- 9.) Balloons will be placed at the lower portion of the vehicles and must be passed off by a staff member.
- 10.) If a balloon falls off a parent is not allowed to place the balloon back on the vehicle. It is recommended that you place the balloons properly before the heat begins.
- 11.) There will be no 4 Wheelers or open spaced/door vehicles allowed as this can cause injury to the child. Their legs can get caught between their vehicle and another's. We know some of them are really cute but we love the safety of our participants more than cute.
