Dear [Business Owner],

At North Logan City, our commitment to enhancing the city's programs and offerings to the community remains unwavering. We invite you to join us in participating in the diverse activities and events we have planned for the upcoming year, allowing you to witness firsthand the pride we take in supporting our cause.

In the year 2023, our community has experienced significant growth, and we attribute our success to the continuous support from businesses like yours. Your generous contributions have played a crucial role in enabling us to offer high-quality activities to our residents. Thanks to donations received from benevolent business owners, we were able to provide over 1200 kids with soccer balls, 600 baseballs, 165 softballs, and 509 footballs. The positive feedback and numerous expressions of gratitude from parents underscore the impact of your support, as families enjoyed practicing together at home.

As we strive to make recreation enjoyable and accessible to every family, we have set ambitious goals for the upcoming year. Our mission involves providing every child in the recreation program with a ball, while also managing costs and introducing family recreation programs. To achieve these objectives and continue serving our community, we rely on the generosity of individuals and businesses.

Your support is instrumental in our ability to grow our leagues and programs, making a positive impact on the community each year. We kindly request your commitment to support our annual appeal through a cash donation or an in-kind contribution (not exceeding 50%). Your generosity will directly contribute to the success of our initiatives, allowing us to continue our meaningful work.

We appreciate your consideration and willingness to make a difference in our community. Together, we can create lasting recreational opportunities for families and children in Cache Valley

Thank you for your support.

Sincerely,

Jesse Howe
