Dear Business Owner

At North Logan City we strive to expand the city's programs and offerings to the community. We hope that you will take part in the activities and events that we will offer this year. Experiencing first-hand the pride we take in supporting our cause.

In 2022 We are continuing to grow in numbers each year and could not have been able to offer such a good quality activities without your help. The donations that were received by generous business owners we were able to help provide over 934 kids with soccer balls, 609 baseballs, 165 Softballs, and 440 footballs. We heard countless thank-you's and how the parents loved practicing at home with their child. Please help us keep this going by donating.

It is our mission to make recreation fun by creating opportunities for the family to recreate at home. We plan on doing this by giving every child in the recreation program a ball, while also keeping our costs down, as well as creating family recreation programs. In order to carry out our mission and provide services in our community, we rely on the generosity of individuals and businesses for support. Without the assistance of community-minded individuals just like you, we wouldn't be able to grow our leagues and programs in the community each year.

We ask that you make a commitment to support our annual appeal by making a cash donation, or in in-kind (no more than 50%). We hope that you will be able to donate, your generosity will make a difference in our community by allowing us to continue in our work.

Thank You!

Sincerely,
